Pupil Information required for Department of Education and Skills Primary Online Database (POD)

The Department has consulted with the Data Protection Commissioner in relation to the collection of individual pupil information for the Primary Online Database. Both religion and ethnic and cultural background are sensitive personal data categories under Data Protection legislation. These questions are optional. While these questions are optional, the information would be very useful

to the Department for statistical and research purposes. Aggregated information on Ethnic/Cultural background will be used to track the progress of these groups, and to compare their progress with other groups, thereby identifying gaps in the system and assisting in the development and implementation of appropriate policies and interventions. Enhanced capitation in respect of pupils who are members of the Traveller Community will be paid to schools on the basis of the answers to this question. Aggregated information on religion will be used for statistical purposes only. Parents/guardians are asked, if they wish to do so, to identify their children's religion and ethnic background, and to consent for this information to be transferred to the Department of Education and Skills. This page of the form will be retained by your primary school.
